Forecast for Saturday 16 Jul 2022

Weather: Some isolated mist and fog patches in the valleys during the early hours will clear quickly through the morning. Staying generally dry and bright with plenty of prolonged sunny spells and some scattered high cloud at times. Patchy cloud and sunny spells continue into the evening, with some clear spells overnight.

Chance of cloud-free hill tops above 800m: 90% chance or greater throughout.

Low Cloud and visibility: Isolated mist patches will lower visibility to moderate or poor in the early morning, but this will clear quickly. Cloud will be above the summits throughout the day, with excellent visibility across the hills expected.
